Website Banner Ad Graphic Instructions:

Banner ads may be a combination of graphics and text and may contain programmed elements limited to gif animation. Ads must be provided in electronic format via e-mail. Overall graphic element size must not exceed 50 x 300 (or 150 x 150) and may be no larger than 30Kb. *.gif format is preferred with maximum resolution not to exceed 72 dpi. MPINCC reserves the right to edit any submitted material to fit within requested size limitations.

Please fax or email form to the MPINCC office at: 925/355-1296 or info@mpincc.org.

Banners will become active within 24 hours of payment. Please contact info@mpincc.org if you have any questions.
